

Leading Lights Pupil Voice on Collective Worship 27/9/24

Why do we have worship?

To remember God (Y2)

To remind us of what God does for us (Y5)

To remind us of God's love (Y4)

To praise God (Y6)

What do you like most about worship?

The singing (Y3), lighting the candle (Y2), the praying time reminds me of God's stories. (Y4)

I like the reflection. (Y6)

What is your favourite type of worship e.g. whole school; in Church?

I like going to church because the whole school singing echoes around the church. (Y5)

I like singing in to church too. (Y4)

I like going to church because being in church makes it more special. (Y6)

What is important to you about being part of a Church school?

It is more supportive, we try to 'be the best we can be.' (Y2)

I like that we have our Christian values. (Y6)

How do you think that the school values help you live your lives?

Our values help us to try to work as hard as we can. If we do the wrong thing, God will always forgive us. (Y5)

Our values help us to be kind and thoughtful in our community. (Y4)

We want to be good because of our values. (Y6)

Can you think about one of our school values - have you experienced this in action either by one of your friends, your classmates or yourself?

I saw courage in my friend when she climbed to the top of the climbing frame, even when she was scared. (Y2)

I've seen thankfulness when me and my friend shared some chocolate. She was grateful. (Y5)

We had perseverance this morning when K tried to count in twos in maths and had a go even though he wasn't confident to begin with that he could do it! (Y4)

If you wish to spend a moment reflecting, where do you go?

I would go to the reading corner in my classroom because it is quiet. (Y4) I would sit quietly by a window in the James Room. (Y6) I would go to the calm space in Kingfishers. (Y2)
